ABHIJITH ELLIKKAL

UI/UX Developer

PROFILE

Highly skilled and motivated software developer with over two years of experience in developing and maintaining web and mobile applications. Proficient in a variety of programming languages, including HTML, CSS, React, Java, Android, and Angular. Strong ability to troubleshoot and debug code, and a track record of delivering high-quality products on time. Seeking a software development role at a dynamic and innovative company where I can use my skills and experience to make a meaningful contribution.
